Please submit your requests submit in ORIS (included in Saturday's race) or define within your e-mail entry.

You can also find various types of accommodation in/ around Jablonec n/N, but be aware of busy weekend (because of national holiday) so do not forget to reserve your stay enough in advance.

- Bike depository:** Will be provided by organizers in the event center in a lockable fence. However, you should lock your bike there as the organizers do not guarantee the safety of your bike.
- Catering:** Buffet by organizers – basics (tea, coffee, beer, limo, breads, sweets, etc.)
Sokolovna Kokonín offers very good quality meals in the event center which we can highly recommend. The menu will be published in ORIS so you can register your meal's choices in additional services of Saturday's race. Please pay for your meal with all other fees by bank transfer.
- Evening program:** Sokolovna Kokonín (hall)
1. Saturday night – Long - prize giving ceremony + party
 2. Saturday night – Sprint, Middle and overall results of Czech Cup Prize giving ceremony + Cocktail party
- Kindergarten:** Will be provided by organizers in the event center and the rules according the recent sanitary conditions will be posted later.
Please send preliminary registration of your kids via ORIS or e-mail in as "Additional services".
- Protest:** In a written form to main referee with deposit of 200 CZK.
- Provision:** The competitions follow the effective MTBO Rules, Competition Rules and MTBO Implementation Guidelines 2020.
- Restrictions:** From the date when this Bulletin 1 was issued there is a bounded entrance into the race area in accordance with the established point 11, par. 3 and 5 of the valid Competition MTBO Rules. You can find the definition of the embargoed areas on the website of the race.
- Warnings:** Strict ban on riding off the track! It's allowed to run and carry the bike more than 20 cm over ground. Not following this rule will cause disqualification. See Bulletin 2 for more information. The forests are very often attended by mushroom pickers and tourists so please be careful, especially in downhills. Some of the paths will be marked in a map as one-way routes and you must follow this direction. During Sprint race you must pay extreme attention because of narrow paths and residential area with regular traffic.

The technical check will be provided for classes MW10, MW11, MW14 and MW17 before each competition. The width of tire must be at minimum "1.5".

All the competitors must wear the cycling helmet, otherwise won't be allowed to start in competition.

Protection of personal data:

By the entry for this race, every competitor agrees with publication of his/her personal data within a mandatory format of ČSOS in entry list, start list and the results on the website of the race, in ORIS system, in Bulletin 2 for all competitors and on event center. During the event, the photos will be taken to inform public about the organized race, billing subsidies for the event in accordance to §89 of Act No. 89/2012 Coll., The Civil Code. Furthermore, the photos can be taken for personal use of the competitors, for promotional activities of the sport's club, from prize giving ceremony, from races, finish etc. If you do not agree with taking a photo of yourself, please inform explicitly the photographer.

Special provision: With respect to current sanitary situation, the organizers reserve the rights to use some unusual arrangements which will be posted according to recent government regulations, current situation and mandatory rules.
